# **BCHI 2018 CALENDAR PHOTO SUBMISSION FORM**

Please submit as many photos you wish from your chapter on a CD, DVD or USB drive. **NO PRINTS.** USB drives will mail back to you. If you want your CD/DVD back include return envelope with postage.

Photos need to be in JPEG Format. Set your digital cameras to the highest size settings possible. Photos from cell phones can be used for smaller spots on calendar grids. See page 3 technical specs.

Photo selection criteria for the calendar are as follows:

Cover and full page photo candidates must be taken in IDAHO.

Photos must have a horse/mule in the shot, unless it's of a work project.

Heads and faces preferred over tails and backs.

Photos are placed by seasons - winter, spring, summer and fall.

Include all winter, kids with horses, trail riding, packing, and work project photos. Nature photos will be used as needed. Please do not resubmit photos that have been used in previous calendars.

Print all information legibly and include photographers name, phone and e-mail.

List the file name for each photo. Please print as many of the second sheets you need to go with your submissions.

**PHOTOS ARE DUE AT THE MARCH 11, 2017 BCHI CONVENTION IN BOISE.**

If you only have a few photos or no way to burn them to CD or a USB drive, you can e-mail them directly to me.

Thanks for your help and submissions,

Debbie Samovar, 9176 E Soaring Hawk Ln, Saint Maries, ID 83861, 208-245-3041, dsamovar@gmail.com

## TECHNICAL SPECS

**Please follow your camera's user guide and set your images to the highest resolution. Please be aware that the higher the resolution, the fewer images your camera will hold.
