

**BACKCOUNTRY HORSEMAN OF IDAHO
EDUCATION PROGRAM/LNT
Step 3: PRACTICAL APPLICATION OF BASIC SKILLS IN THE
BACKCOUNTRY
2003**

This class will give students who have completed the LNT Basic Skills Class the chance to apply LNT principles while on a backcountry pack trip. Masters and/or Trainers will identify parameters of the class as to date, place, time, instructions, number of participants, etc. The intent of this class is to offer practical backcountry skills for those students who wish train others by example. Costs will be equally divided between participants.
