    - Your job is to guide and encourage

- Sample Agenda, (also pass on an electronic version)
- List of Deadlines
  - What needs to be done
  - Who’s task is it
- List of Standing and Special Committees and who Chairs them
- List of Chapter Events/Activities
- Current Membership List

SAMPLE ROBERT RULES

Robert Rules is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion. Organizations using parliamentary procedure usually follow a fixed order of business. Below is a typical example:

1. Call to order
2. Roll call of members present
3. Reading of minutes of last meeting
4. Officers reports
5. Committee reports
6. Special orders --- Important business previously designated for consideration at this meeting
7. Unfinished business
8. New business
9. Announcements
10. Adjournment

A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can:

1. Call to order
2. Second motions
3. Debate motions
4. Vote on motions

How are Motions Presented?

1. Obtaining the floor
   a. Wait until the last speaker has finished
   b. Rise and address the Chairman by saying, "Mr. Chairman, or Mr. President."
   c. Wait until the Chairman recognizes you
2. Make Your Motion
   a. Speak in a clear and concise manner.
   b. Always state a motion affirmatively. Say, "I move that we ..." rather than, "I move that we do not ..."
   c. Avoid personalities and stay on your subject
3. Wait for Someone to Second Your Motion
4. Another member will second your motion or the Chairman will call for a second
5. If there is no second to your motion it is lost
6. The Chairman States Your Motion
   a. The Chairman will say, "it has been moved and seconded that we ..." Thus placing your motion before the membership for consideration and action
   b. The membership then either debates your motion, or may move directly to a vote
   c. Once your motion is presented to the membership by the chairman it becomes "assembly property", and cannot be changed by you without the consent of the members
7. Expanding on Your Motion
a. The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it
b. The mover is always allowed to speak first
c. All comments and debate must be directed to the chairman
d. Keep to the time limit for speaking that has been established
e. The mover may speak again only after other speakers are finished, unless called upon by the Chairman

8. Putting the Question to the Membership
   a. The Chairman asks, "Are you ready to vote on the question?"
   b. If there is no more discussion, a vote is taken
   c. On a motion to move the previous question may be adapted

Voting on a Motion:
   The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:
   1. By Voice -- The Chairman asks those in favor to say, "aye", those opposed to say "no". Any member may move for an exact count.
   2. By Roll Call -- Each member answers "yes" or "no" as his name is called. This method is used when a record of each person's vote is required.
   3. By General Consent -- When a motion is not likely to be opposed, the Chairman says, "if there is no objection ..." The membership shows agreement by their silence, however if one member says, "I object," the item must be put to a vote.
   4. By Division -- This is a slight verification of a voice vote. It does not require a count unless the chairman so desires. Members raise their hands or stand.
   5. By Ballot -- Members write their vote on a slip of paper, this method is used when secrecy is desired.

There are two other motions that are commonly used that relate to voting.
   1. Motion to Table -- This motion is often used in the attempt to "kill" a motion. The option is always present, however, to "take from the table", for reconsideration by the membership.
   2. Motion to Postpone Indefinitely -- This is often used as a means of parliamentary strategy and allows opponents of motion to test their strength without an actual vote being taken. Also, debate is once again open on the main motion.

Parliamentary Procedure is the best way to get things done at your meetings. But, it will only work if you use it properly.
   1. Allow motions that are in order.
   2. Have members obtain the floor properly.
   3. Speak clearly and concisely.
   4. Obey the rules of debate.

Most importantly, BE COURTEOUS.

**WHAT IS THE DIFFERENCE BETWEEN NON-PROFIT AND TAX-EXEMPT STATUS?**

Non-profit status is a state law concept. Non-profit status may make an organization eligible for certain benefits, such as state sales, property, and income tax exemptions. Although most federal tax-exempt organizations are non-profit organizations, organizing as a non-profit organization at the state level does not automatically grant the organization exemption from federal income tax. To qualify as exempt from federal income taxes, an organization must meet requirements set forth in the Internal Revenue Code.

**DO I NEED A TAX-EXEMPT NUMBER FOR MY ORGANIZATION?**

No. Unlike some states that issue numbers to organizations to indicate that these organizations are exempt from state sales taxes, the IRS does not issue numbers specifically for exempt organizations. While the Internal Revenue Service does issue Employer Identification Numbers (EINs), these are merely a unique identifier, similar to a Social Security number for an individual. Applying for and receiving an EIN says nothing about the organization’s tax status; however, your organization needs an EIN to apply for tax exemption.
SAMPLE BANKING PROCEDURES
Below are types of information often requested by banking or credit union institutions for checking and saving accounts. Each institution may have other special requirements.

- Copy of minutes showing election of officers
- Legal name as shown on ID
- Social Security Number (SSN)
- Date of birth
- Mother’s maiden name
- Physical address
- Phone number
- Employer (or retired)
- Driver’s license number
- DL issue date
- DL expiration date
- Nearest branch location (if out of area)

BACKCOUNTRY HORSEMEN OF AMERICA (BCHA)
VOLUNTEER GUIDELINES
Prepared by Rod Parks, BCHI Vice-chairman

To be used to educate members not only on the proper way to log and report volunteer hours but why it is important to do so.

Overview
Volunteerism is one of the most important activities Back Country Horsemen can use in our effort to perpetuate enjoyable common sense use of horses in the backcountry. A central point of our mission statement is to assist government agencies in maintenance and management of public lands. By using our time and resources, we help insure that public land remains open to recreational stock use by earning a seat at the table where we can influence agency decisions concerning access to public lands by pack and saddle stock users.

The value of being able to speak with public lands managers from the position of having provided volunteer service cannot be overstated whether it is on the local ranger district or in Washington D.C. However, the hours and value of volunteer service by Back Country Horsemen are consistently underreported. It is up to us at the chapter level to track and report our service. Each chapter and state should appoint a Volunteer Hours Coordinator (VHC) or committee responsible for reporting the hours that members work, the miles of trail maintained and the expenses that they incur during their service. Each Chapter VHC reports to the State VHC, annually. The State VHC compiles the chapter reports into a summary report to BCHA. Chapter VHC will submit their Annual Chapter Volunteer Hour Summary Sheet to the State VHC by Dec. 31 each year. BCHI Vice Chairman is the VHC currently.

Helpful hint
Knowing who is coming to a BCHI event and collecting their hours and miles afterwards is a major pain for most chapters. A few years ago a Squaw Butte member suggested a tool being uses by other like groups that might be helpful. We have been using Supersaas’s “free version” now for about five years and it has been a great hit with the users. Check it out it may also work for your chapter.

UNDERSTANDING THE IDAHO HORSE COUNCIL (IHC)
Prepared by Raenette Didier, IHC Director for BCHI

To be used by any BCHI member who is an IHC Director, when planning for and conducting training events to members.

Introduction to the Group

What is the Purpose and History of the IHC? (Statement on IHC notebook & brochures)

Why is BCHI a member? (The IHC Legislative Issues Committee & the fact that IHC had a paid lobbyist. Before BCHI joined, BCH of North Central Idaho rewrote the Idaho Animal Cruelty legislation, received BCHI support, but could not get it into Committee. That was the reason BCHI joined & with the help of the IHC, the Bill was made into law)

How do new organizations become a member of the IHC? (see IHC Membership Form)

What does it cost for an organization to join? (see IHC Membership Form)

How do you become an IHC Director? (First & foremost attend meetings, show you are interested & support the IHC & their activities. New Directors are voted in at the IHC November Annual Meeting. You must be sponsored & nominated by someone from BCHI who is a current IHC Director)

Do you have to be a BCHI State Director also? No, any BCHI member can be an IHC Director.

As an IHC Director looking after BCHI interests, what is your responsibility back to BCHI? (every BCH member that is an IHC Director should bring information back to their local chapter. The BCHI SBD has appointed one BCHI Director to bring information back to them & to relay the concerns of BCHI on controversial issues, ie; why or why not BCHI would/would not support an issue)

Voting delegates depend on the size of an organization. (BCHI is allowed 6 delegates due to our membership numbers, per the IHC by-laws)

When critical or controversy equine issues come before the IHC, it is voted on by all the organization’s delegates. (how many BCHI Directors at present?)

When/where does IHC hold meetings? (January, July & November) Meetings are usually in Nampa but sometimes the July & November meetings move North or South

What happens at the meetings? (discuss the IHC Committees)

BACKCOUNTRY HORSEMEN OF IDAHO (BCHI) FOUNDATION
Prepared by Chris Reed, BCHI Foundation President

This outline is to be used to educate BCHI members on the goals and purpose of the BCHI foundation

The purpose

The Foundation was established to provide an avenue for any BCHI Chapter to solicit funds that would go to the Foundation and be distributed to the local Chapter(s) within the guidelines specified by the donor of the funds. By allocation of the funds through the Foundation, the donation becomes a tax write-off for the donor and tax-free income to the Chapter(s). This is achievable due to the Foundation's non-profit status. One of the responsibilities of the Foundation Director, or Alternate, is to express its Chapter's needs in terms of projects and funds required.

The goals

1. To increase available funds that can be dispersed for trail maintenance and the education efforts to BCHI members in support of the mission statement
2. To help chapters with funding for potential trail projects.
3. To help educate the Members of BCHI.

How the BCHI foundation can help

- Have a business that would like to donate to your chapter but needs a 501c3? Contact your foundation director and have them fill out a RECEIPT FOR DONATION form. All foundation directors are authorized to sign these.
- Have a grant that your chapter is applying for and need a 501c3? Have your foundation director get you the contact info you might need to complete the grant.
- The foundation will funnel these funds to your chapter minus the 5% administration fee.

Have copies of the receipt for donation form available for handouts
AMAZON SMILE- HELPING TO FUND BACKCOUNTRY HORSEMEN OF IDAHO (BCHI) FOUNDATION
Prepared by Bill Holt, Squaw Butte BCHI Foundation director

This is to be used to educate BCHI members and others on how to choose BCHI foundation as your charitable organization recipient

The overview
Amazon donates 0.5% of the price of your eligible Amazon Smile purchases to the charitable organization of your choice. Not to worry. Most are eligible. When you pull up the item description of what you are buying it will show ELIGIBLE FOR AMAZON SMILE DONATION. If you don’t see this, then it’s not. What’s the catch? It’s free and costs the buyer nothing more, but it is NOT automatic. YOU HAVE TO USE AMAZON SMILE and select our foundation organization PROPERLY. The actual web site is https://smile.amazon.com/

The step process if you do have an Amazon account

1) Log on to www.smile.amazon.com
2) If you already have an Amazon account, log on as normal using your e-mail address and your Amazon password
3) In Departments find heading SUPPORTING in orange
4) Move the cursor to the organization after SUPPORTING. A double window should pop up showing that organization
5) Click on CHANGE in blue to the right of that organization
6) Go to bottom line CHARITY NAME OR LOCATION
   Type in: Back Country Horsemen of Idaho Foundation Inc
   Then click on SEARCH
7) Click on SELECT to the right of Back Country Horsemen of Idaho Foundation Inc. Rupert Id
8) Go to In Departments: if SUPPORTING has Back Country Horsemen of Idaho Foundation Inc THEN YOU ARE DONE—GO SHOPPING

The step process if you do not have an Amazon account

1) Log on to www.smile.amazon.com
2) Go to New to Amazon? Create an account
   Enter your e-mail and create your own password
   This will take you to (6) above
   Do items (6) (7) and (8)

Helpful reminders
Remember, you must use Smile Amazon to get the 501(c) 3 donation. Regular Amazon will NOT give you this option. Once the step process is set up, you do not have to do all this again. It will stay until YOU choose to change it.

If you want to see your contribution, please be patient. Contributions are deposited to the accounts 45 days after the end of each quarter.

So, help the BCHI Foundation help BCHI. Use Smile Amazon, ask your friends and family to do the same.
