

4. Leave What You Find

Wouldn't some of those blue flowers over there look nice in our kitchen? Can I pick them? Can't I just pick ONE? Why not??

OK to gather berries, nuts, shrooms, but don't take ALL.

Example of pieces of 1850's English China at an old ore processing site.

- ▲ Sense of discovery
- ▲ Think about the people that used them
- ▲ Left them so others could also have that discovery experience
- ▲

Discussion about antlers, bones, hawk feathers, rocks, antiquities, gold chunk. Each have to make own decision regarding this

What a bout noxious weeds?

- ▲ Are horses the only contributors to this?
 - ATVs, boots, etc.

Co-instructors do you have anything to add?

What questions do you have??
